“Dealing with Our Feelings: 4. Self-esteem” **2 Corinthians 5:16-6:2**

- I. Introduction: God’s Word provides the spectacles through which we see truth.

- II. What sort of self-image should Christians possess?
 - A. We are wretched sinners from the day we are born.

 - B. In Christ, we have become new creations.

 - C. Alternatively: We are born good, filled with rich potential.

 - D. Our self-image is to reflect the full message of the gospel.

- IV. Apply this to your life: What has the strongest impact on your self-esteem?

- V. Objection: Won’t constant praise and a positive self-view lead to sinful pride?

- VI. Conclusion: Enthusiastically do the genuinely good things God redeemed you to do!
