

Morning Message Outline

January 26, 2020

You are Light – Expose the Darkness! Ephesians 5:8-12

- I. Introduction: Live out who you are – people of the light.
- II. Be light!
 - A. Love truth.
 - B. Promote righteousness.
 - C. Practice goodness.
- III. Expose the darkness!
 - A. The eyes and ears of pro-abortion politicians are sealed shut.
 - B. Changing the views of everyday Americans
 1. Pictures of aborted remains
 2. Live ultrasound images
 - C. Points to make in conversations
 1. Both religion and the science of embryology agree that human life begins at conception.
 2. If a stranger accidentally or intentionally causes the death of a fetus this is manslaughter – unless the stranger is a doctor whom the mother hires.
 3. Neither a child's dependence on her mother's womb nor an adult's dependence on a dialysis machine makes her more or less a person with a right to live.
 4. Why may we limit many other freedoms for good reasons but not a woman's freedom to end a human life?
- IV. Conclusion
